

THE MAY 50K

YOUR IMPACT TO LEAVE MS BEHIND

Your participation in The May 50K will accelerate research into prevention, better treatments and ultimately a cure for multiple sclerosis (MS).

Here's how your support changes lives.

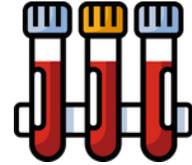

\$36

Grows MS cells in a lab to help find new ways to understand and treat MS

\$64

Covers the hourly rate of a dedicated research assistant

\$114

Buy 100 Cryotubes to preserve invaluable blood or DNA samples from people with MS

\$750

Unlocks MRI technology to reveal groundbreaking MS research insights

\$1,524

Keeps vital tissue samples preserved in liquid nitrogen for a year, ensuring they remain ready for cutting-edge MS research.

\$2,500

Drives impactful advocacy by supporting MS Australia's information sessions with Parliamentarians

\$5,000

Fuels a year of pioneering MS research with essential tissue culture materials

\$10,454

Equips researchers with a fluorescence microscope to explore the wonders of cells and advance MS research

\$25,000

Kickstarts innovative MS research projects with seed funding, paving the way for future breakthroughs and additional funding

**A HUGE THANK YOU for all your hard work and dedication in helping us stop MS in it's tracks!
Together we will leave MS where it belongs, behind us.**
